Hi! I'm here to strengthen and inform teachers

WHY SWIVL?

Easily record teacher AND student interactions for a holistic understanding of the classroom. With deeper insights, teachers are empowered to make meaningful changes in the classroom.

EASY TO USE

Using Swivl is easy. It also saves you time and effort by keeping your data organized and secured. We make it fun for everyone, even students!

#GoSwivl

swivl™

SWIVL LIKE A PRO

When a video observation initiative is **Effective** for teachers and **Easy** to implement, then it becomes **Sustainable** for schools.

EFFECTIVE OBSERVATIONS

EASILY RECORD TEACHER AND STUDENT INTERACTIONS

SUSTAINABLE INITIATIVES

Swivl is essential in fostering a culture of collaborative feedback and support. Engaged and supported teachers grow together for long lasting success.

BUSINESS USES

Focus Groups

Get the video and audio data you need to make better decisions.

Stand Ups

Never miss another stand up. Make every voice heard.

Conferences

Make boring conferences unforgettable. Bring customer insights to your team.

Presentations

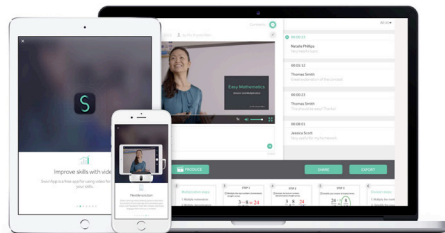

Create a content library of important presentations to share with new hires.

Planning Sessions

Bring real accountability to your agile sprints or milestone planning sessions.

Skill Training

Easily capture high quality audio using multiple wireless microphones.

BASIC & EXPANDED SOLUTIONS

Effective

Create a pocket of excellence in school among teachers and coaches.

Pro+ Multi-Camera, C5. Floor Stand, Expand Lens Mini

Better, Authentic Video

Capture every interaction in the classroom without the bias of a traditional observer.

Student Voices

Students get a voice through individualized feedback; all students are seen and heard.
