

swivl™

Create a culture of support
in your school.

Easily record teacher AND student interactions
for a holistic understanding of the classroom.
With deeper insights, teachers are empowered
to make meaningful changes in the classroom.

I am convinced that videos are productive tools to enhance teachers' professional development and students' achievement. The Swivl robot's ability to navigate with the teacher's movement make it easy to get the full picture of what is happening in the classroom.
